Ms. Magalie R. Salas
Secretary
Federal Energy Regulatory Commission
888 First Street NE – Room 1A
Washington, DC 20426

Subject: The Department of Interior's Filing of Modified Terms, Conditions, and Prescriptions (Klamath Hydroelectric Project, No. 2082)

Dear Ms. Salas:

The Department of the Interior (Department) herewith files its modified terms, conditions and prescriptions for the Klamath Hydroelectric Project, FERC Project No. 2082. The filing includes analysis of alternatives and consideration of effects under Section 33 of the Federal Power Act. The filing also includes the Supplemental Administrative Record. Each party named on the service list for this proceeding is being provided a copy of the above documents at this time.

The Department's filing includes the following sections:

Section A: Modified conditions for the protection and utilization of the Bureau of Land Management reservations pursuant to Section 4(e) of the Federal Power Act.

Section B: Modified conditions for the protection and utilization of federal lands and facilities of the Bureau of Reclamation pursuant to Section 4(e) of the Federal Power Act.

Section C: Modified fishway prescriptions of the Fish and Wildlife Service and National Marine Fisheries Service pursuant to Section 18 of the Federal Power Act.

Specific questions or requests for clarification regarding any of the comments contained herein may be directed to David Diamond at (530) 842-5763.

Thank you for your assistance in filing these documents.

Sincerely,

Steve Thompson
Manager
